Holistic Massage

The *holosz* is a Greek word, which means complex, complete. We would like to create this completeness in your body, soul and spirit. Resolve the stress and the cramp from the muscle, which are generally spiritual extraction and they cause the recurring problems in the backbone, shoulder and in the neck. It helps to dissolve the stress of the body by the traditional medicine physiotherapy. The long rhythmical stroking, soft muscle pressing and massaging the acupressure points reduce the pain from the neck and shoulders and give you a real relaxation.
